

## Formulation

This daily shampoo is designed with plant-based ingredients and is easily made with a cold process. Highly-biobased Cola<sup>®</sup> Det COCO comes as a ready-to-use blend and is combined with Poly Suga<sup>®</sup> Quat TM8610P to provide a rich lather with light conditioning. Also included is hemp-based Cola<sup>®</sup> Teric HBS to boost viscosity, allowing for a “no salt added” formulation.
