

# Foaming Clay Mask

## Formulation

This formulation presents a twist on traditional clay masks, featuring a combination of mild cleansers, Suga<sup>®</sup> Nate 100NC and Cola<sup>®</sup> Teric CBS, that transform it into a gentle lather for easy rinse-off. Also included is Cola<sup>®</sup> Moist 200 to lock in moisture for long-lasting hydration and peppermint oil for a clean, tingly sensation! Use as a mask or face wash to deeply cleanse pores and reveal brighter, smoother skin. To use as a mask, apply to a dry face and let dry for 15 minutes. Then apply water, work into a lather and rinse. To use as a cleanser, simply apply to wet skin and work into a lather before rinsing.

### PHASE A

PHASE TOTAL: 100.0000%

#### PHASE INSTRUCTIONS

No phase instructions provided.

TRADE NAME	INCI NAME	FUNCTION	W/W %
Water	Water	-	49.2000
