

Gentle Toothpaste

Formulation

This sulfate-free toothpaste features Suga[®] Nate 160NC for cleansing with exceptionally low irritation potential and neutral flavor profile. With its exceptionally low irritation potential, supported by results using in-vitro gingival and mucosal models, Suga[®] Nate 160NC is the ideal choice for next-generation toothpastes and other oral care products.

PHASE A

PHASE TOTAL: 100.0000%
